

Oceanic Shadow Series

05.4000.27

Sleek 100% liquid silicone skirt attached directly to the tempered glass lens. No mask frame means the Shadow Series offers an incredible field of vision and packs flat.

**Features**

- No-frame design reduces weight and provides one of the largest fields-of-view
- Extremely low volume design
- Swiveling, easy adjusting buckles
- Perfect back-up mask as it folds and fits easily in your BC pocket

Aqua Lung Wraparound Mask

5026-20

The Wraparound Mask continues to be the mask of choice for Military and Search and Rescue Departments worldwide. The Wraparound Mask has been modernized with a redesigned mask's skirt for improved fit, metal buckles, and black non-reflective stainless steel frame.

**Features**

- Classic three-window design
- Optional purge valve
- Available in clear and black silicone

Aqua Lung Maui Mask

5033-50

The Maui dive mask is one of the most popular amongst military and professional divers. This mask has a low-volume, single-window design which provides great visibility while underwater. This is a great mask durable, comfortable, and fits snugly to the diver's face.

**Features**

- Low-volume, single-window design
- Black silicone skirt

Aqua Lung Aqua Sphere® Seal

2207-90

The patented curved lens provides 180° peripheral vision without distortion. The dive-quality silicone skirt provides a comfortable, watertight fit and easy-adjust buckles let you concentrate on your workout - not on your equipment.

**Features**

- Dive-quality silicone skirt provides comfortable, watertight fit
- 100% UVA and UVB protection
- Patented Plexisol® lens optics provide superior 180° visibility
- Anti-fog coating

Scubapro Frameless Mask

24.340.110

Buckles positioned on exterior of mask body for convenience and comfort. Reduced weight, size and volume makes clearing water easy. The basic difference in masks lies in the number of lenses. Single-lens masks were the first developed and remain a popular choice worldwide because they provide a broad, uninterrupted view.

**Features**

- Single-lens mask
- Unique assembly of lens and skirt without a frame
- Buckles positioned on exterior of mask body for convenience and comfort

Sherwood Magnum 2

SW-MA20

**Features**

- Tempered glass lenses to prevent distortion and fogging and minimize scratching
- Easy-access nose pocket for single-handed equalizing
- Our unique VPP (Virtual Pivot Point) swivel buckle, which places the pivoting point of the strap forward on the mask for maximum comfort and easier adjustment
