

# **AX60+** Safety System

## **Annual Maintenance Card**

Analox recommends **conducting an annual proof test** on any Ax60+ sensor to ensure optimal performance. If the proof test does not meet your required standards, it is advised to carry out a calibration adjustment.

<b>Date</b>	<b>Sensor Number</b>	<b>ACTION Proof Test (P) or Calibration (C)?</b>	<b>RESULT Pass (P) or Fail (F)?</b>	<b>Initials &amp; Company</b>
