

ARGONAUT TITANIUM

World's premier maritime commandos knives. The Argonaut Dive knives are designed to be one of our best and toughest knives. The blade is cut into two styles; the Spartan and the Blunt. The Spartan comes to a spear head point with one side featuring rounded die cut serrations to prevent snags on rope. The Blunt comes to a blunt chisel like tip. One full side of the Blunt blade is die cut with rounded serrations.

Features

- One-piece fixed blade and handle design
- The sheath is a locking 2 mm thick Kydex with 3,4mm grommets; the strap holes are 25,5mm long and 6,4mm wide
- Butt of the handle has a point for hammering, breaking or crushing
- Includes two rubber leg strap belt loop webbing extension and BC mounting hardware
- Non Magnetic
- Removable paracord line on handle
