Kevlar | Nomex

The Elements™ Jacket + Pant – Tactical incorporates a triple-layer fabric construction with a fleece-lined interior, abrasion-resistant exterior, and a windproof and water-resistant yet breathable membrane that keeps rain and snow out but will not trap moisture during use. This system was created from on-the-job feedback from our customers for the best fit and functionality possible and is constructed with Dupont™ Kevlar® and Nomex® brand fiber - the first flame-resistant fiber selected for use in military uniforms.
