The Elements™ Jacket + Pant – NAVAIR (Coyote Tan) is NAVAIR-approved and designed specifically for Navy and Marine Corps Aviators. This system incorporates a triple-layer fabric construction with a fleece-lined interior, an abrasion-resistant exterior, and a windproof and water-resistant yet breathable membrane. Each garment was created from our end-users feedback for the best fit and functionality possible and is constructed with Dupont™ Kevlar® and Nomex® brand fiber - the first flame-resistant fiber selected for use in military uniforms.
