Strato Low Loft® Jacket  
#MJKT00069

AVAILABLE  
COLORS

OCP/  
BLACK

BLACK/  
BLACK

BLACK/  
WOLF GRAY

### FEATURES:

- OCP colorway features chest and sleeve Velcro® loop configuration, with split loop at sleeve for added comfort
- Zipper closure chest pocket
- Articulated elbows for superior performance and comfort
- Zipper closure hand pockets can double as pass-throughs
- Lightweight and packable with stuff sack: weighs less than 1 lb (.965 lb / 15.45 oz)
- Elastic binding at cuffs, hem, and hood opening to help prevent drafts
- Lightweight ripstop fabric enhanced with Durable Water Repellent (DWR) treatment

### SPECS:

- Non-Flame-Resistant

The Strato Low Loft® Jacket is designed as an easy-deployable, lightweight, and great-fitting thermal layer without sacrificing any durability. Each jacket is fully reversible with hand pockets on either side (leave both open for accessibility), comes in three colorways for any end-user need, and folds into a stuff sack that is located in the hand pocket. The Strato Low Loft® Jacket is insulated with Prima Gold Active Plus™ insulation, which delivers a best-in-class warmth-to-weight ratio, retains loft when wet, and allows heat and moisture to escape.
